

ILLUMINATE YOUR NIGHTS WITH

GALAXY BRITE

WITH GALAXYBRITE, EVERY SWIM IS A BRILLIANT EXPERIENCE

GalaxyBrite, the latest innovation in pool lighting, combines advanced technology with sleek design to bring unparalleled brilliance and efficiency to your pool

Simplified SKU Management with Near Field Communication

- Multi-Programming Light: Integrates Pentair, Jandy, and Hayward programming into one versatile multicolor light
- Customizable White Lights: Adjust from cool white to warm white and dim to your preference
- Blue-Only Light: Adds color without the need for automation

Dynamic Color Options

- MultiColor lights feature RGBW technology for a full spectrum of colors.

Robust Construction

- Overmolded Plug - Ideal for new pool constructions.
 - 14 AWG Cables - Ensures durability and reliability for all lights.

Customizable Trim Rings

- Choose between Clear and Chrome Finish

Superior Brightness

- Enjoy 25% more lumen output for a brighter, more vibrant pool

Versatile Installation

- Screw and Tab System: Compatible with Blue Square niches.
- Hooked Niche: Simplifies installation at rebar.
- Flexible Niche Ports: Allows for rear port or side port installation

Retrofit Capabilities

- Retro plug kit available for seamless integration with existing cords.
