ULTRA-LOC® III

THE STRONG, SOLID SAFETY COVER

For those who prefer the superior light-blocking properties of a solid safety pool cover, there's ULTRA-LOC® III from LOOP-LOC®. Strong, durable, and maintenance-free!

Preview any LOOP-LOC Safety Cover with our Mirage Pool Visualizer at LoopLoc.com/Mirage.

Blends beautifully into any backyard décor. Available in green or your choice of designer blue, tan or gray!

To show our commitment and dedication to the safety and security of your family, LOOP-LOC® covers have undergone extensive outside testing through Underwriters Laboratories (UL) and have earned the seal of approval for safety swimming pool covers.

Our ULTRA-LOC III Solid Safety Pool Covers Feature:

- Premium coated vinyl material with enhanced 100% polyester rip-stop scrim
- Super-strong, durable material
- Fast, easy draining with optional mesh drainage panels
- Unlike traditional solid water bag covers, there is no scrubbing or maintenance required
- Fits any pool or spa perfectly, from a simple square to a complex installation with a custom cover
- LOOP-LOC covers not only meet, but exceed, ASTM standards for Safety Swimming Pool Covers F 1346-91
